It was encouraging to see the churches and believers of the nation of Spain gathered together to worship in Madrid for 4 days at the National Convention! Many ministers and families are working together and uniting to see the gospel spread throughout Spain.

While in Madrid, we were able to see some sights of the beautiful city and meet the fellow Aimers and missions team that are working hard in Madrid. It is encouraging to be a part of a great team! (We were also able to enjoy a few American eateries as well!)

COMPLETE TEAM OF
AIMERS FOR THE NATION
OF SPAIN.

We are beginning to see the work and prayers for El Prat bear fruit. The Holy Spirit has truly ministered in our meetings. One meeting in particular, a lady who has been coming for quite some time to the group found herself renewed in the Holy Ghost as she fell to the floor weeping and speaking in other tongues just like the day of Pentecost. This prompted questions from others and has opened the door to teach what it means to be born again of water and Spirit. We believe it is God's will to have a church in this city. God is doing the work! Thank you for continued support and prayers.
