

Greetings in the name of Jesus!

January was a wonderful month! I started the out the new year traveling back to Japan from the States – my time home was refreshing; I am so blessed I was able to return for a short time. Now I can focus on the next few months in Japan!

Prior to my visit back to the US, the Gifu Bible Fellowship Celebrated Thanksgiving (December 10th) by having a service with Pastor Matsui (he preached for us!), a potluck, a gift exchange and games. It was a wonderful day in the Lord!

Pastor Matsui preached an incredible message on the fire of the Holy Ghost! We had a wonderful time of prayer, enjoying the presence of God! It was awesome! One of our ladies recently arrived in Japan from the Philippines and she was baptized in the wonderful Name of Jesus after the service!

God has been so good to the Gifu church! We had a new visitor with us on Sunday the 28th and I have faith that God will do a work in her life. Over the next few months I hope to see more growth in the Gifu church and I am continually praying for Pastor Matsui and the Nicolas' as they reach this area of Japan! God is doing wonderful things in this country and we've only hit the tip of the iceberg.

God bless,

Emily Peddle
