## February Report from the Field

### Japan and the Japanese Islands

AIM4Japan2018

Greetings in the wonderful Name of Jesus! We are rejoicing in the Lord for the Powerful Services we had in Mie, Japan. We have seen great things from God while we were there.

*"And he said unto them, Go ye into all the world, and preach the gospel to every creature." Mark 16:15*

We have been busy with teaching and preaching at our Purpose Institute and Japan Apostolic Bible School setting the mission forward to start 5 new extension campuses in March. While we were in Mie we saw 26 receive Christian Workers License with the Local Churches.

We have seen a lot of growth in February with our Discipleship. We are working for connecting more individuals with a true Relationship with Jesus. Weekly there are meetings all around the Islands that Promote growth and fellowship with Jesus.

We are rejoicing for those souls that have been birthed into the kingdom this month. 1 Baptized in Gifu.

3 filled with the Holy Ghost in Uruma-Shi.

1 Filled with the Holy Ghost in Nagoya.

“For we are saved by hope....” Romans 8:24
