

January Update!!

We have now been in Madagascar six months thanks to your prayer and support! THANK YOU!! This month started with Leadership Conference as we planned and set goals for 2018. We had the honor of meeting with the National Youth Committee as we work to start Campus Ministry here in Madagascar in 2018! A powerful Preachers Conference followed leadership Conference where all ministers came together and studied stewardship.

The National board, Missionaries, and Aimers at Leadership Conference 2018.

January continued as David started preaching Chapel every week at the Central Bible School, we taught English Club on Saturday mornings, along with us visiting and preaching at churches on Sunday.

It has still been our priority to learn Malagasy and have continued to study and we are confident that soon we will be able to speak the language.

We are thankful for what God has done this month here in Madagascar and that we have the privilege to be a part of it.
