# Back to College!

This month was very exciting for the Cadds in Madagascar, we are now back in college! Not as students but as teachers of God's word. The planning meeting went very well and plenty of interest was shown. We had our first regular meeting this month as well and we we're blown away by the excitement among the young people to learn and study the Bible.

We are looking forward to what God is going to do through this group of young people. Pray for this endeavor as it has the potential to grow rapidly and we will need Gods help and direction as we look to the future and possible expansions into other colleges.
