Answered Prayers

In March our car began to give us some trouble. We took it in for a routine oil change and service, but when we went to pick up our vehicle we were told that it was dangerous to drive and unsafe to be on the road. The mechanic had us sign a waiver first before we could even get it home! Before bringing our car in we had dedicated a fast day for this situation and this report could have easily caused discouragement, However we knew God had a plan. As always; ALL things work together for good and even when it's seems like the worst time for a vehicle to break down or something go wrong...His timing is always perfect. Little did we know what God had already orchestrated. A wonderful church family from Texas came for a visit and God used them to be the vessel in which to bless us. That Sunday morning unbeknownst to us, they took up a special offering totaling just over \$7000 for us to be able to purchase a new vehicle. God is so good!

MOVING OUT!

I had the wonderful pleasure of being able to escort our young people to the "Moving Out!" event in Sunderland England. It was a fabulous time of witnessing, worship and ministering. Our first day there we canvassed the city center handing out flyers inviting everyone to a cafe worship service in the local coffee shop that was being held later that evening. The following day we canvassed the local area again handing out flyers for Sunday service and sang in the city center, we had 8 people sign up and commit to having home Bible studies. This was such a fabulous time in the Lord with a wonderful group of on fire young people. I was a very proud youth pastor to be able to see my young people step up and step out with boldness in the Holy Ghost, being a witness and a light for Him. God is doing great things through the youth of Ireland.

THANK YOU FOR YOUR SUPPORT!

We love and appreciate all the prayers of support for our family and for this country. We are on the edge of revival in the country of Ireland.

Please continue to hold the Pentecostals of Dublin up in prayer as well as the Davis and McFarland family. **Mark**

16:15 And he said unto them, Go ye into all the world, and preach the gospel to

every creature. Without the help of our supporters in America, none of this would be possible. We give honor and thanks for everything you do to support missions. We love you all and pray God richly blesses your churches and homes.
