

AIM Report - Namibia

January-February

Amy Riggle

2018

January and February were very busy months. The Bible School is still going strong and revival is on its way to Namibia!

We recently had our second annual National Youth Conference. Many lives were impacted at this conference. A total of ten people received the gift of the Holy Ghost and two people were baptized in Jesus name!

Due to generous donors, three young people at the church in Windhoek were able to receive their first ever Bible. The gospel is spreading!

The orphanage in Windhoek is doing good. The kids are always smiling!
