

So much has happened in March and it has been so exciting to be apart of everything. Here are some of the awesome things that have happened:

1. I have been helping with Sunday school. Sis. Sully and I have taken turns teaching. The last three weeks, we have had 11 children in class! We have had the opportunity to minister to 16 different children over the last month.

2. We had our first person get the Holy Ghost this month! She was then baptized the following Sunday. It was exciting to be here for this experience. It has also been neat to see the change in her over the last few weeks.

3. I have also worked on typing some books, moving books from PDFs to word documents, and putting together Bible school books.

4. At the end of February, we had a record attendance of 17, which we broke the next week! I am so blessed to be apart of this work. I love watching it grow and seeing new people come and others return for another service!

Top Right: Sunday school with 11 children!
Bottom Right: Israël "chained" like Paul and Silas.
Bottom Middle: Me teaching Sunday school.
Bottom Left: Kelina being baptized, our first here!
Top Left: Church with our record attendance of 20!
