## Answered Prayers

Sis Gillaine made it through her hernia operation successfully with no complications and she is now on the mend, continue to remember her in your prayers for a complete healing in Jesus name!

## UPCOMING EVENTS

We have recently designated the last Sunday of each month as YOUTH TAKEOVER SERVICE. We will be using our youth to open the service, take up prayer requests and offering, praise and worship and using our young ministers to preach in our services. We want to train up this next generation and equip them with the knowledge and tools they need to be successful in ministry roles, so that they are ready to step into leadership positions when God opens that door to them.

## Fun Fact

We allowed our young people to vote on names for their youth group, many options were up for the vote but a last minute entry that was initially meant to be funny because of the STAR WARS reference was entered and it was loved by all and it got every single vote hence the PODAWANS were born. The name padawans is from STAR WARS, it's a young jedi's in training. We changed the word ever so slightly to fit us, (POD) meaning Pentecostals of Dublin and (AWAN) is Arabic, meaning time or season.

## **NEW BEGINNINGS**

We were recently blessed with New Beginnings books from Bro and Sis Triplet from Tennessee. They generously gave us permission to make as many copies as we needed as the church continues to grow. We are currently four weeks into our 15 week program with a wonderful response from our church body. We want to make sure that each and every individual that claims to be a member of The Pentecostals of Dublin is rooted in His truth, grounded, growing and being fruitful. We want each member to know why we believe what we believe. We want everyone on the same page so that we can act as a unified body that is able to reach out and give an answer to every man, the answer is Jesus and then be able to show those that we come in contact with His perfect way.

# THANK YOU FOR YOUR SUPPORT!

---

We love and appreciate all the prayers of support for our family and for this country. We are on the edge of revival in the country of Ireland. Please continue to hold the Pentecostals of Dublin up in prayer as well as the Davis and McFarland family. **Mark 16:15 And he said unto them, Go ye into all the world, and preach the gospel to every creature.** Without the help of our supporters in America, none of this would be possible. We give honor and thanks for everything you do to support missions. We love you all and pray God richly blesses your churches and homes.
