

# AIM Namibia

MARCH-APRIL REPORT / AMY RIGGLE

---

## March - April

During the weekend of Easter, Windhoek UPC hosted their own conference Friday-Sunday morning. The picture on the top left is of me speaking to the youth in one of the Saturday sessions. As their youth leader, I enjoy any time I get to spend with them.

I am thankful that 2 people were baptized in Jesus name on Easter Sunday (pictured on page 1)! God is continually doing great things in Namibia. The people are being harvested one by one!

During two weeks of April, I visited the USA to be in a friend's wedding (bottom left picture). I enjoyed my time home, but was ready to return to Namibia. The bottom right picture is of some of the youth at Windhoek UPC after my first youth service back from the States. Attendance to youth service is slowly increasing and I praise

God for answering my prayers for the growth of this youth group!
