

The End of My A.I.M. Term

When I first landed in Ghana, I didn't realize how in 3 1/2 months in one place could completely change your life.

"Exposure breeds a burden." - Rev. Jim Sleeva. When I was 8, I said "YES" to missions. When I was, 20, after years of fighting it, I said "YES" to Africa. And after counseling with Bro. Rodenbush, I said "YES" to Ghana.

Throughout my time here, God has allowed me to participate in so many things that I never would have imagined. I know that every experience has prepared me for the future.

I will forever be grateful for the opportunity to work with this wonderful Missionary team. They have poured so much into my life and have become wonderful mentors to me.

The MK's

Allanah and Stephen. These two are truly unforgettable! From math lessons with Allanah to solving riddles with Stephen, I will cherish every moment I spent with them.

R.A.C.Y.

We had another training seminar in the ASH/BA region. Twenty-two certificates were awarded making a total of seventy-three in Ghana to date.

Children's Week

The first week in May was Children's Week. The children took charge and lead the services. The power of God fell in every service.

It has been an honor to serve in Ghana. I cannot wait to see how my future in missions unfolds.
