

HUNGARY

Almers Robert and Krisztina Cseh May 2018.

A new location.

We had our May church service at a new location, where we felt like God was leading us. There was a visitor who lives on the same street, and she was praying about finding a church, and was very excited about being able to experience God's presence and to hear the word. Pastor Patterson preached and interpreted the service.

We had a friend and his family Zsolti, Andi, Bátor, Gábor, Jonatán, and Bence from my hometown, came to our home whom we have been praying for many years. They are believers from a trinitarian church, please pray for them and Hungary. God opened the door for my wife; one of the Mom's at Daniel's kindergarten she invited Krisztina to her home and she was able to witness to her. On our prayer walk we met Carlos the father of the family of 5 whom we met last month, pray with us that we will be able to start bible studies for these people and that the Budapest church will grow. Thank you for your continuous prayer and support! God is doing great things in Hungary and you are all part of this. God Bless!
