

DRIGGERS- AIM TO SPAIN

One year on the AIM Program!

While it is summer, it is harvest time here in Barcelona! We have completed our first year on the AIM program. We are continuing working with the great team in Spain and are excited to report the following for the month of May:

- This month we have had several first time visitors in our meetings at El Prat. We rejoice with one of the families of El Prat as their 2 sons received the Holy Ghost!
- Many received the Holy Ghost and were baptized

this month in Barcelona and Manresa.

- Jared was able to preach Missions Sunday where one received the Holy Ghost
- The church in Barcelona will most likely sign on a new location in June!

9 RECEIVED THE HOLY GHOST ON PENTECOST SUNDAY, INCLUDING 2 FROM EL PRAT!

BAPTISMAL CERTIFICATES: COUPLE ON THE LEFT CAME FROM DAUGHTER WORK IN MANRESA!

As May ended, we completed our first year in Barcelona. As we look back, we can see how much we have been stretched and how much we have learned in this last year. We have enjoyed working alongside the family of God in Spain.

As we continue working, we continue to focus on the work in El Prat. We are beginning to see results of seeds planted in the families we have been working with. We recently had a first time visitor in our weekly Bible Study. This was a man Jared had met in a quiet plaza and was able to talk to and invite. The man replied by saying he had not ever read the Bible. That is ok. That is why we are

here. There are people we walk by every day who have not experience the joy or peace that we are so blessed to have found in Jesus Christ. Continue to pray with us for doors to open in El Prat, and pray with us specifically for the FAMILIES of El Prat.

To close, we do have some more good news! We have received the news this week that our Visa has been approved for 2 years AND we have also secured our housing for the next year! Now we only have to raise our budget! We are excited to walk through the doors the Lord opens!

God Bless,
Jeanna & Jared Driggers
