

Northern Ireland Dylan Hallett

September - December Update

God is good! Upon arriving in Northern Ireland, I was greeted by a very warm welcome from Bro and Sis Cooney and their son Jaylon.

It has been a privilege and a blessing to work under their ministry and in the work in Belfast at All Nations Church Alive (ANCA).

Weekly Bro. Cooney and I take to the streets to hand out leaflets and connect with people. I also have the opportunity to teach Sunday School and discipleship classes.

Currently we have a bible study with a young couple named Chris and Laura. As a result of this and another Bible study, already three people have been baptized in the wonderful name of Jesus Christ!

In September we went down to Dundalk for a Missions Rally, where the Spirit of God moved mightily over all who were there.

Also in September We traveled down to the district Men's Retreat in Wicklow Ireland. Where we heard a powerful word of God that challenge every man that was there. It was a good chance to get acquainted with the local Ministers and Saints.

In October I was involved in planning for the Red Burn Community Centre Open Day, with whom we are partnered with to outreach to the community. At this event I got to be the candy floss man and interact with community members.

In November we made a special trip down to Dublin to have Holy Ghost service with the Missionaries the Stricklands. With 5 receiving the gift of the Holy Ghost!

On December 3rd, we had a Give Celebration, where we gave back to the community through giveaways, food, and a special Christmas service. There were many first-time visitors from the Redburn area, and many positive connections were made.

Besides all this, I have been kept busy designing leaflets for ANCA and the community center, administrative work, cleaning, building and lawn maintenance, and updating the church website and podcasts.

Thank you so much for all your prayers and support. Merry Christmas and Happy New Year from Northern Ireland!
