## January - February Update

Blessings and greetings from Northern Ireland! God has been moving in a mighty way, and I am glad to be a part of it.

Starting off in January, the church entered into a month-long Daniel fast, with intense prayer for the saints, for the church, for requests, and reading the word of God. During the fast we had a powerful foot washing service. It was my first time ever doing this, but the presence of God moved into that place. Through these prayers and church services, God was preparing to do a mighty work. At the end of the month Chris and Laura who were baptized in September received the gift of the Holy Ghost at the end of the bible study that they were receiving! God is good!

During these months I was given the great commission to paint the living room, rake, shovel, and wheel barrow over Forty tons of rock onto the driveway! Mind you I did not do this alone, the Cooney's assisted me in these great endeavors!

During the month of February, I was able to attend the Northern District Conference which was held in Edinburgh.

Also, there was a lot of preparation done for the Belfast Pentecost Conference and the GB&I National prayer walk that is being held here in Northern Ireland in May.

# March Update

The month of March has been a very great month! There have been three visiting ministers who came, Bro & Sis Anderson from Houston Texas, and Bro. Doug Hanscomb who is from Canada, N.B, but lives in Nashville Tennessee. Being able to spend time with these seasoned men and woman of God has been a delight in itself.

I was also able to get on a "black taxi" tour which took you around Belfast to show you where the paramilitary factions arose, and how the "troubles" happened here in Northern Ireland. We saw pictures of the ruins of communities, which are now rebuilt. I was also able to see the peace wall which separates two communities that Irish nationals and the British loyalists. Remember the "troubles" started in 1968-1998.

It was an eye opener listening to the guide telling us stories about living through it.

I could go on all day about the "troubles", but I am here to tell you that God has something brewing here in Northern Ireland. The man-made walls and the spiritual walls here are about to be shaken!

I want to thank you for your prayers and for your continued support for me here in Northern Ireland! God bless!
