EMILY SHULL UPCI AIMER IN JORDAN

Greetings in Jesus' name! God is doing great things in Jordan. So far in 2018, we have baptized 8 and had 4 receive the Holy Ghost!

Sister Gem Rose

One of those baptized was Sister Gem Rose. Her employer would not allow her to leave the home where she was working and come to church. After months of praying, she was allowed to visit church for her birthday. She chose to be baptized on that day! We prayed with her that her employer's heart would be changed and they now are letting her come to weekly service!

Brother Emad

Karstan and I doing a homeschool science experiment.

We also have been praying for an Arabic work in Amman and the Lord sent an Egyptian Christian man, Emad, to our English service there. After Bible studies translated into Arabic, he chose to be baptized and wants to begin bringing his Egyptian friends to service. We have someone who can sit in the back and translate for them. This could be the beginning of an Arabic congregation here!

Arabic Vacation Bible School

There is a neighborhood in Amman we had been fasting for and doing prayer walks in. The Lord recently put us in contact with a Filipino lady living there who wants a home Bible study. Now we have a home to meet in in that area and she is inviting her friends to come to the study. Praise the Lord for answered prayer and open doors!

International Sunday School trip

In Sunday School, we have had growth for both Arabic and International groups. Thank you to everyone who prayed for our last VBS. It was a success and that week the Lord blessed us with a translator for Arabic Sunday School! Please continue to pray for the children of Jordan.

Seeking the Holy Ghost

I thank God for safe travels back to the U.S. last week. Leaving Jordan was not without tears, but I am thankful for the chance to see family and friends.

If you would like to hear more about what God is doing in Jordan, I am available to speak over the next three months as I travel to raise support to return to Jordan. If your church would like to have me come, you can email me at [shull.emily@outlook.com](mailto:shull.emily@outlook.com). My pastor's number is (231) 445-4356.
