

DRIGGERS- AIM TO SPAIN

Poco a poco... little by little, victory is being won!

Along with our normal schedule, here are a few highlights from June!

- Los Pentecostales de Barcelona signed the contract to lease a new building.
- The church in Barcelona had 3 baptized and 2 filled with the Holy Ghost.
- We ministered in a Family Seminar and saw the Lord give victory to several!
- We have moved our meetings in El Prat to the Park again.
- Our first time in the park and we had one man (in pictured above) join us for the bible study and give us his info to meet with him!
- A man from the city of Pallaja that Jared has met with a couple times is joining us weekly for the meetings in El Prat!
- Jared enjoyed men's fellowship between the church in Barcelona and daughter work in Manresa.
- God is continuing to open doors and give increase!
