

AUSTRIA

May-June, 2018

We have had an incredible 2 months here in the German Speaking Nations!

In May, the Kingdomshakers Youth Group from Vienna went on a missions trip to Switzerland. While there, we participated in street evangelism and services in the cities of Geneva, Bern, & Zürich. God gave us favor like never before, and the lives of these young people were greatly impacted by learning to minister outside of their comfort zones in new cities and experience revival across the GSN!

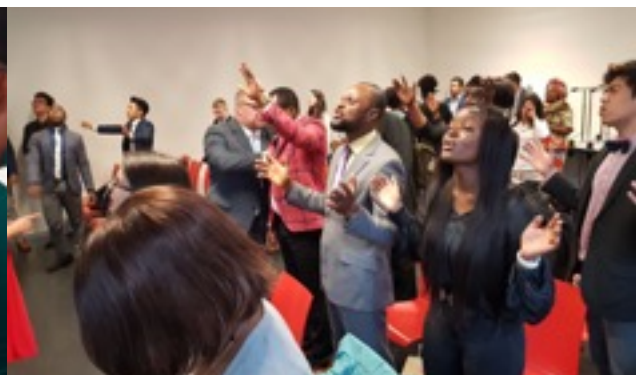

2 received the gift of the Holy Ghost, & many new doors were opened!

Thank you to our GSN Youth President Bro. Ackah (Geneva) for organizing this trip, and to Sis. Hackenbruch (Interlaken) and Bro. & Sis. Hulsman (Zürich) for their incredible investment in the nation of Switzerland!

SINGING ON THE STREETS OF GENEVA

God is opening up doors all across the GSN!

Last month, we had a special AMTC Bible school training with several unaffiliated churches across the GSN, including a brand new contact in Salzburg, Austria!

The Oneness of God, The New Birth, & Holiness classes were taught in all of these churches, and God moved in a mighty way and brought great revelation!

The pastor in Salzburg has asked a team from Vienna to come once a month to continue teaching his congregation! Praise God!

The Aachen, Germany campus, where Bro & Sis Sayers and Swiss AIMers Megan Hanson, Daphne Vandeburgt, & Danielle Wilson ministered!
