

# May 2018

# A month of travel

This month has been very busy and has involved traveling to many places. We were fortunate to visit Kenya and participate in the east Africa sub regional meeting. There we attended a leadership seminar that was a great blessing to us. We also enjoyed spending time with fellow workers.

We also had a wonderful CMI meeting this month, our group is continuing to grow both in numbers and in strength. We are looking forward to the month of June and receiving the Florida YOM team as well as a great crusade in the capitol city.
