

ADVENTURES ON AIM: JUNE 2018

Arrival on the Field

We arrived in Zürich on June 4. Our AIM team is made up of Daphne Vandeburgt, Danielle Wilson, and myself! One of the first divine appointments that we experienced on this AIM is the very formation of this team. 3 strangers that God brought together for this season to reach Switzerland.

In our first week here, we had several focused times of prayer, in various locations throughout the city, asking God to open those doors of opportunity & lead us to the hungry! We've seen God answer these prayers through contacts we've already made here!

Service in Zürich

We've held 4 Sunday services in Zürich over the past month, and each time the Lord has met us in a special way and ministered. 2 weeks out of this month, we were joined by a group from Milan, Italy & had a wonderful service & fellowship afterward. We've felt the hand of the Lord guiding every step!

Open Doors & Divine Appointments

In Colossians 4:3, Paul wrote, "...praying also for us, that God would open unto us a door of utterance, to speak the mystery of Christ..." He asked them to pray that God would open up supernatural doors for them to speak His Word and see lives changed by the Gospel! From the outset of this AIM appointment to Switzerland, that has been our prayer. This nation, and region of the German Speaking Nations is ripe and ready for the harvest, and throughout the month of June we have seen God answer our prayer for open doors of opportunity to speak His Word into this harvest field. I want to focus in this newsletter on sharing the testimonies of those open doors & all the Lord has been doing in this region!

AMTC in Aachen, Germany

AMTC is a time for teaching & training that God has used to spread revival throughout this region! We were blessed to participate in AMTC in Aachen, Germany.

The church we were with in Aachen is a former Trinitarian church that God has opened the door for the UPC of the German Speaking Nations to pour into & share the truth with! They have received the revelation of Oneness & are so hungry for the Word of God.

After one session that we taught about Holiness, the Pastor addressed the congregation and said that the Spirit of God was speaking to him about the importance of the truth we shared, and that hearing and obeying it would take the church to a deeper level! Amen!

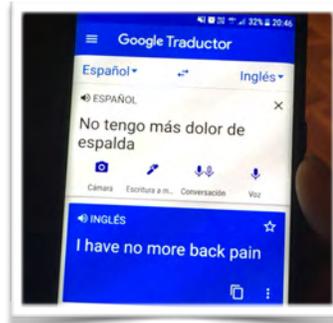

Weekly Service/Bible Study in Basel, Switzerland

Every week, we are traveling to Basel, Switzerland to have Bible Study in a precious lady's home. We are blessed to be working with the AIMers from Geneva, Esther & Bethany who travel 3 hours each way to be with us. The first week, our service ended in a great time of prayer and a brand new person praying for the Holy Ghost. At the end of our Bible Study, our host, who had a massive collection of wines and alcohol, came to us and told us that she would be throwing away all of her alcohol so that she could give her whole life to Jesus! Praise God! The next week, our friend from the week before received the gift of the Holy Ghost!

The third week we ministered in Basel, the Lord completely healed one lady of back pain! What a mighty God we serve! He truly is opening doors that no man can shut, and doing a mighty work in the German Speaking Nations.

Please continue to pray for open doors & for revival in the nation of Switzerland and all throughout the German Speaking Nations!
