## Associates in Missions to Vanuatu

Thank you for continued support in prayer and finances!

Presented with "salu-salu's" (lei's) on our first service back!

Teaching eager students at the Bible School!

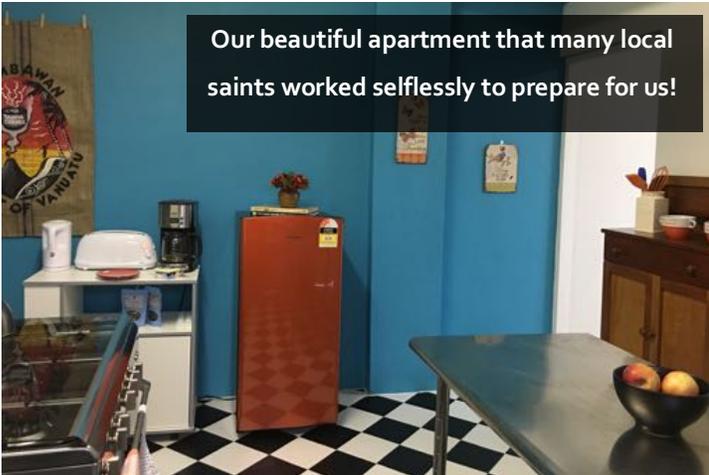

## Hitting the Ground Running in Vanuatu!

There was no time to waste when we landed in Vanuatu! Although so much work has already been done in the great nation of Vanuatu by the many missionaries and AIMers who have preceded us, there is still much more exciting work to be done, and we are thrilled to be even just a small part of this great work!

The school semester began the week after we arrived. Between the two of us, we are teaching classes on Prayer & Fasting; The Epistle to the Hebrews; Biblical View of Missions; and Old Testament Survey. In addition to these assigned classes, we have been filling as guest lecturers and proctors to other classes as needed.

We have also had the great privilege to visit and preach in three of the local churches near the capital city of Port Vila, where the Bible School and headquarters property is also located. We are also already enjoying great times eating and fellowshiping together with the local saints. God is doing great things in Vanuatu!

## An adventurous first month back in Vanuatu!

Our beautiful apartment that many local saints worked selflessly to prepare for us!

Vanuatu welcomes Rev. Amy Sawyer, a veteran missionary from Belize!

Teaching diligently at the Bible School!

### Some Prayer Requests for the UPCI of Vanuatu

Please pray for veteran missionary Rev. Amy Sawyer, formerly from the country of Belize in Central America. She is visiting Vanuatu for three months, and has already been a great blessing to the Bible School and church!

Please pray for the Acts 2 Bible School here in Vanuatu! We are currently seeking accreditation with the Vanuatu government. One of the major roadblocks is finishing construction of the building itself. Please pray for increased financial support to complete this project soon!

Please pray for the upcoming National Conference in August. Bro. Doug Klinedinst will be preaching and approximately 40 young people from the states will be coming on an AYC trip. We're expecting great things!

Finally, continue to pray for Jennifer and I as we labor far from family and friends; we thank you for your continued support. God is doing great things in Vanuatu!
