Prayers..

I would like to say thank you to all my friends and family who have been praying for me while I am in Switzerland. I greatly appreciate every prayer that you have prayed. Please keep me, my fellow AIMers, this church, Zurich, and the German Speaking Nations in your prayers. I love and appreciate each and every one of you.

EME Youth Congress

The very first EME Youth Congress will be taking place in Ukraine next month. Daphne and myself will be attending and are looking forward to meeting new people from all across this region. We are very excited and ask that you pray that we will be able to minister to the city of Kiev.

GSN Youth Camp

We are honoured and excited to be able to be a part of the GSN Youth camp at the end of July. We are expecting great things.

Zurich, Switzerland

My first month in Zurich has been full of new adventures and exciting new opportunities. Our first week in Zurich was spent getting use to finding our way around the City and learning the layout of the transit system. I am very grateful that Switzerland has a fantastic transit system which makes this small town girl's life a whole lot easier. We were blessed to find an apartment on the edge of the city that has views of woods and farm land, it makes me feel at home.

Here I Am. Lord Send Me!

THEN I HEARD THE VOICE OF THE LORD SAYING,
 "WHOM SHALL I SEND? AND WHO WILL GO FOR US?"
 AND I SAID, "HERE AM I. SEND ME!"

To my Pastor...

I would like to give honour to my pastoral family, Bro & Sis James Bridges (Dawson Creek, British Columbia, Canada). I am so grateful to have a spiritual leader who recognizes and facilitates the call of God on others lives. The burden for the foreign field has been on my heart for a very long time and I will never forget that my pastor and my church family were willing to allow me to go as a representative to serve the Lord and His missionaries in the German Speaking Nations.

Our first Sunday was a real treat as I found a little taste of home at church, as Sis Pat from British Columbia was visiting. It has been a real joy having her with us here in Zurich and she has been such a blessing to us. Two of our Sunday services here in Zurich, we were blessed to have Bro. Santos and Bro. Giacalone from Milan, Italy minister to us.

Our third week here we had the privilege of attending the AMTC in Aachen, Germany. We are able to minister and make new friends. It was a wonderful time and the Lord did great things in those classes. The Lord is moving in the German Speaking Nations. Whole trinitarian churches are being converted to oneness Pentecost, it is amazing to be apart of this and to be able to help minister to these churches.

I am so very blessed to be able to be back in the German Speaking Nations (GSN) and be a part in what God is doing here.

Your AIMer, Danielle Wilson
