

Welcome to The Netherlands!

*We are so **excited** to share with you all that God has done this month!*

Month Two!

We are right at our two month mark of being in Holland. So far, it is everything that we have expected and more. God continues to amaze us each and every day.

We look forward to staying connected with you and sharing what God is doing in Holland!

Groups

Each week, we have teams that meet in five different cities with people who are hungry to know more about God. At our groups, you can expect prayer, music, teaching, coffee, snacks, but most importantly, a move of God.

Below is a little about each group that we attended in the month of July!

Gouda, Netherlands

Gouda is a city in the province of South Holland with a population of 72,338 people. This month, we had Bible studies with five people in Gouda!

Anna Paulowna, Netherlands

Anna Paulowna is a town located in the province of North Holland with a population of about 15,000. In July, we were in Bible studies with 16 different people! We are planning a prayer walk and an outreach service for next month. God is doing great things in Anna Paulowna!

Worship Services

On Sundays and Wednesdays, we participate in church services in Dordrecht, Netherlands and Hoofddorp, Netherlands. These services are filled with great music sang in English and Dutch, anointed preaching, and powerful altar calls.

We were able to minister in a youth service at Het Keerpunt in Dordrecht. We had youth in attendance from two different churches. We had a great move of God.

At a service in Hoofddorp, a woman walked in with pain in her back. It was so bad that she could barely stand up. We prayed for her and she began to leap for joy as God completely healed her. She testified that every ounce of pain was gone. We serve a miraculous God!

Amsterdam

If you received last month's newsletter, you saw that we had zero contacts inside the city of Amsterdam. Since then, God has begun to open many doors!

Over the last month, we have made connections with four different people that live inside of Amsterdam. One of the guys informed us that he has about 10 friends that are living inside of Amsterdam that have recently converted to christianity and are looking for someone to tell them about Jesus. Pray that God will give us favor with them!

On a Saturday in July, we had a prayer walk through the city of Amsterdam. We started the day off by singing inside of Amsterdam Centraal train station. Every hour, thousands of people walk through here. We then walked around Vondelpark and prayed that God would speak to the hearts of the people as they were having a "Pride" parade inside of the park.

Wifi In De Trein?

Taking the train everyday can get quite expensive. To help us get around better along with our bicycles, we have purchased our "Weekend Vrij OV-Chipkaart." With these cards, we pay a monthly fee and get to travel FREE on the weekends, and travel during the week at a discounted rate of 40% off the normal travel price!

Weekend in Paris

We were able to get away for a weekend and spend much needed time with our great friends Missionaries Baron and Jen Carson, and connect with Missionaries Paul and Darla Brochu. We had a great service at Paris Centre, and we able to see the beautiful city of Paris, France!

Our Current Needs

This month, our current needs are **support for outreach** events, and **prayer**.

With a heavy heart and a burden to reach Amsterdam, we have a few thoughts and events that we are planning. One of our major events is an **outreach concert** inside of the city center. The people in Amsterdam love music, and we believe that by having a concert in the city, many connections will be made and lives will be changed. In preparation for the concert, we are planning on passing out a minimum of **5,000 flyers** promoting the concert and bible studies, along with a big social media push. The cost of printing flyers and **renting a building** in Amsterdam can get quite expensive. We would love for you to support and play a major role in what God is doing in The Netherlands.

If you would like to support us through prayer or financial support, feel free to send us an email at HeavenToHolland@gmail.com.

Thank You!

This month, we received one new monthly supporter!

We want to say thank you from the bottom of our hearts for all of your love, prayer, and support. The tough part of missions is being away from the ones you love, but we feel the love and prayers coming from across the world. We look forward to hearing from you!
