

Latvia AIM Report

Vision Ventspils

July 2018: Paulita Hernandez

Week One: We had team meetings/individual accountability meetings to set goals for the week and for the remainder of our time here. We also had evangelism everyday, and RBD training July 6th. July 6th we also saw our friend Matīss again, and were able to get his contact and schedule a time to meet.

Week Two: Began the week with Sunday service, and evangelized after. We had RBD training July 10th, and we also had coffee scheduled with Matīss this day, which went really well. He opened up much more and we were able to connect well. July 11th I taught a Spanish lesson to a young lady named Agnese. Had another Spanish lesson scheduled for the following week with Eva, who I'd briefly met. Tyler Flemon arrived.

Week Three: Service with Tyler Flemon and another friend from Riga arrived. We had meetings with a few RKR students, Mark Shutes and Abigail Trapani (team lead). The rest of the week we evangelized and worked on overcoming the things which were discussed in our meetings. Continued meeting with contacts we had already established. Taught two Spanish lessons this week.

Week Four: We had RBD training, and continued evangelizing everyday. We continued meeting up with previous contacts. Friday, July 27th, Molly and I spent the day with Krīstine (contact). We ended the day with her with a conversation that opened the door for us to share our testimonies and were not only able to talk about what God had done for us, but what God had done for her personally- she was very receptive and wanted to know more. The month ended with a Celebration Service in Riga, more RBD training and meeting 3 more people.
