

# Namibia News

July 2018

Greetings from Namibia!

This has been another great month packed with the blessings of the Lord. Our Bible school classes have been good. We are using the G.A.T.S. program and it is excellent. A door has opened among the Europeans and I now have three to five Bible studies each week. At one meeting while we were praying, I heard one of the ladies say, "Thank You Lord for sending us someone to teach us truth. Thank You Lord that we now know who You are and that we are being taught Your Word." Another lady testified that her marriage was so much better since she had started attending the Bible studies and praying for her family. I just received a report that a lady who had cancer and we had prayed for was healed! The doctor showed her the x-ray where it was and now it is gone! To God be the glory!

The months have passed so quickly. My visa was extended until September 14. This will allow me to return to the U.S. in time for conference in Kentucky Sept. 25-28, 2018. Lord willing I plan to return to Namibia in January 2019. When I am in the U.S. the monthly offerings you send to my account help me raise my budget to return. I will also be available to speak in your churches. At present you can contact me through my e-mail [sharonikerd@gmail.com](mailto:sharonikerd@gmail.com). I will notify you of my telephone number when I arrive in the US.

Left: Fellowshiping with Bible school students.

Right: With ladies from one of the Bible studies.

I am thankful for each one of you who are partnering with me; together we are making a difference for the kingdom of God.

**If you are not a partner, please prayerfully consider joining with me so I can continue to labor in this part of the harvest field. The harvest is ripe!**

In His Service,

Sis. Sharon Ikerd (AIM #235192.0115)
