AIM to Latvia 2018

July Report

- July 9-14
- Attended EME - YC2018 the first week of my return.
 - I was blessed with this opportunity and especially for all the speakers during the breakout sessions for ministers. Bro. MacLeod and Bro. Tuttle both had powerful messages that dealt with the priority of the Altar and Equipping so when Preparation meets Opportunity then Success happens!
 - The service speakers all spoke into the lives of every teen, young adult and adult present in all of the services! I can't even begin to describe the amazing move of the spirit in Ukraine during this conference and I intend to make it to Copenhagen EME in 2019/2020!
 - There were many notable miracles, healings and people filled with the Holy Ghost during the services!
 - We also were privileged to join the street evangelism team and received many contacts who were interested to learn more and be contacted by the local church.
- July 15-21
- My second week was spent with the RKR students who are under Dennis and Amy Uecker.
 - I attended their daily scheduled evangelism and outreach, as well as, the weekly park services and classes.
 - Park Preaching with this group has been amazing and has opened many doors with people here in Riga that I look forward to establishing under Kevin Erickson and Chris Wright!
 - I can say with a certainty that they are an anointed and called group of students and I hope to see each of them in the future whether it is here in Latvia or elsewhere on the mission field!
 - Just for my records the RKR group:
 - Guys –
 - Charlie Robison
 - Dan Schwartzfisher
 - Jacob Carpenter
 - Brock Carroll
 - Benjamin Vanderhoff
 - Girls –
 - Aleksandra McKinnies
 - Ashli Gaddy
 - Auroraa Gonzalez
 - Elisabeth Wright

- July 22-31
- I am transitioning into Coordinator of Evangelism, which Charlie Robison had previously filled, for the remaining week of RKR. After RKR leaves, I'll start my regular duties with Kevin Erickson and Chris Wright.
- I am currently assisting:
 - Kevin Erickson (Luke & Larissa Havens) with the formation of a new home group in a new District of Riga as well as with any addition needs that Kevin Erickson oversees for home groups throughout Latvia.
 - Christopher Wright (Mark Shutes) with his home group in Riga.
 - Dennis and Amy Uecker with RKR and requests for service/outreach from local individuals that they connected with this summer.

God has been blessing everyone here greatly and I look forward to my next report!
