Greater Tel Aviv: 3.5 Million people

Although Jerusalem is the spiritual capital of the Jewish people, the greater Tel Aviv area is home to the largest concentration of Jews. We felt strongly that we needed to spend our time in Tel Aviv and are very thankful for the support of the Representatives in allowing us to do so.

Jorge spent 11 + years living in the Greater Tel Aviv area. In addition to making new contacts, we were also able to connect with family and friends. There was not a day we did not have a meeting with someone. Although evangelism is not allowed, if questions are asked, you can share. In every meeting questions were asked and we were able to share more about who is the Messiah.

CONNECTIONS

Pray we are able to maintain the relationships with the connections made.

OPEN DOORS

Pray for doors to open to establish a Hebrew speaking congregation in the Greater Tel Aviv area.

REVELATION

Pray this Scripture is fulfilled. "And so all Israel shall be saved"
Romans 11:26

Liad and Shai

2 brothers who are searching for more.

Chaim and Keren

Spent 3 months learning under Rev. Tom & Sara Copple. They expressed their desire to see a congregation in Israel like what they experienced in the USA.

Max

A close friend and Orthodox Jew who wants to know more about the Messiah

There are many Israeli's hungry for more.

Ze'ev has recently started attending our congregation in Kfar Saba. We gave him a Hebrew Bible and he was expressed how happy he was to be able to read the Bible in Hebrew.

Eli is an Israeli Jew who has been attending a congregation in Tel Aviv for several years with his Filipina wife. He said many of his questions were answered being able to hear the gospel explained in Hebrew and wants to study more in Hebrew.

“Rabbi M- a Oneness Apostolic Rabbi”

We had the opportunity to meet Rabbi M. He has the revelation of the Name and believes in the oneness of God and preaches Acts 2:38. He lives in one of the most closed communities in Israel, yet he still preaches the gospel. He is a man of great wisdom and look forward to learning more from him.

We are so thankful for your prayers and support. There are some things due to privacy we are unable to share here but would love to share in person.

We look forward to returning to Israel.

REPRESENTATIVES MCFARLAND, MOORE AND TURNER

We are thankful for the McFarland's allowing us to dedicate our time in the Tel Aviv area.

The Moore's welcomed us back and allowed us to minister in the congregations in Kfar Saba, Jerusalem, Tel Aviv and Ra'Anna as well as Camp Meeting 2018.

We were able to connect with the Turner's and assist them with obtaining their Israeli Driver's License and completing paperwork allowing them to purchase their SFC Vehicle.

We look forward to continue working with the team God is bringing together in Israel.
