June - August 2018

In the month of June, we had two Ladies in Action Days held within the Northern District - one in Elgin, Scotland and one in Belfast, Northern Ireland. Both were wonderful times of prayer, fellowship, and impacting the local community.

Graduation for both Harvest Bible College Full- and Part-Time was held on July 7, 2018. In the part-time school, six students completed first year, two the second year, and 10 graduated the third year. What an honour it was to be involved in this great program.

In the first week of August, the General Conference for all Great Britain and Ireland was held in Llandudno, Wales. Our main speaker was Bro. Joel Urshan and every single message, worship service, prayer meeting, and evangelistic effort was tremendous. At least 2 received the Holy Spirit and 7 were baptized in Jesus' saving name!

The hall we hire in Dunfermline has allowed us to hang a sign in the window and even sent out our posters to display in all Dunfermline Community Centres! We praise the Lord for the welcome we have received here.

The outdoor service was held on the promenade in Llandudno. There was singing, worship, and preaching as people from the area walked by, and even stopped to listen or participate.

I will be returning to Canada on August 21, 2018 to raise funds to return and work in Scotland for another 5 years. I would love to share with you and your church the things that have transpired while I have been in Scotland as a result of your giving. Feel free to contact me regarding this.

I need to return by mid- November due to plans I am involved in. To raise my budget in less than three months will definitely require your help, but the souls reached as a result will definitely be worth it. Stay tuned for more details on how you can continue to support me financially and prayerfully.
