PRAYER WALKING

Prayer walking is one of the major focuses in the city of Helsinki. We are covering this place with God's light through our prayers. God is already opening doors as a result!

VISIT TO TURKU

I traveled to Turku with the Alphins and had the pleasure of attending service at Uudet Alut Church, a daughterwork of the main church in Helsinki, pastored by Rev. Jun Ventura.

NORDIC CONFERENCE 2018

July 18-21 was the Nordic Conference in Copenhagen, Denmark. I was able to really feel the burden the Nordic ministers have for their region and learn about them as well. God did many wonderful things that week.

THANK YOU

I want to let everyone know I am so thankful for your prayers. They are impacting the Kingdom of God for sure! I am grateful for the love and support I have received from friends, family, and church! Much love from here in Helsinki.

*Sincerely,
Heather Teer*
