August 2018

August 1st-7th: We celebrated the city of Ventspils birthday! There was a parade and fireworks that we enjoyed with a few of our friends.

August 8th-14th: Rachel arrived and Sander visited from Estonia. We have been enjoying building relationships with people from Ventspils.

July 15th-21st: Bro. Erickson and his wife visited us for lunch. We said goodbye to three of our team members this week as they go home for Bible College. We are so thankful for the work they did this summer!

July 22nd-28th: My friend, Zita, and her children have been showing me the areas around Ventspils. This weekend we visited Kolka, the tippy-top of the West coast of Latvia. Then we climbed a lighthouse in Staldzene. We also went and visited our friend Janis at his homegroup. We sang in Latvian, Russian, Portuguese, and English. It was a wonderful time of fellowship with sweet new friends.

July 29th-31st: On Sunday, I was able to share about where I was when I first arrived in Latvia, where I am now, and where I am going. Thinking on how far I have come in a few months is all because of Him!

Ventspils has many cows all decorated differently and I am currently trying to take a picture with all the ones I find... it's a different kind of scavenger hunt. :)
