SUMMER EVENTS

What an eventful summer we had here in Spain! These past two months have been filled with events, special occasions and fun! I think it has been one of our favorite summers yet! But with summer coming to a close there is still so much work to be done here in Spain and we are excited to jump right back into it.

This summer has definitely started and ended with fun and we would love to share with you a little of what has been happening here in Spain.

The first event we had this summer was the National Youth Convention of Spain. It was held at Tabernáculo de Vida in Madrid, Spain. There were many young adults at this event and 19 received the Holy Ghost for the first time and 6 were baptized!

It was such an amazing experience to be able to work at the event. Kameron helped lead the music and Gloria helped run the projection.

During lunch on one of the days all the Missionary and A.I.M wives escaped for some tea and cake. We had to add a little fun to the schedule!

English Church New Members

At the beginning of July we had more saints in the church complete the New Members course. We offer the course every 4 months and it always amazes me how many graduates we have by the end of it. Revival is here in Spain!

Spanish Church New Members

At the end of July we had a Ministers Seminar for Spain. It was held at Los Pentecostales de Barcelona in Barcelona, Spain.

It was a seminar for all the ministers that had a license with the UPCI of Spain. The guest speakers were Brother Anthony Mangun and Elias Limones.

God moved and ministered to each and every one of our lives and we all left feeling refreshed and revived.

A.T.M. Workers in Spain

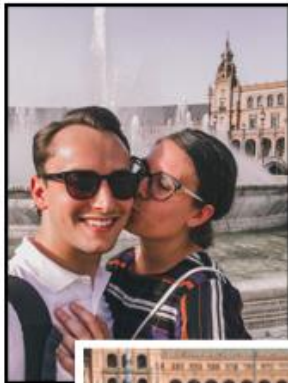

We were privileged to have Baron and Jen Carson, Missionaries to France, come visit and minister to Life Tabernacle. They were a blast to have here with us for the 10th Anniversary of the English Church. God moved in a mighty way during the service. We are so thankful for friends like these.

A special occasion that happened in the month of August was our two year anniversary! We were able to go over to a small town in Spain called Sevilla and spend some time over there. It was a very relaxing and beautiful place. We love the country of Spain and being able to see new parts of it!

At the end of August we found out that we have been **APPROVED** to extend our Associates in Missions here in Madrid, Spain!! It is very exciting news for us as we know that God is not done with the work He has started here in Spain for us. As you have seen in our journey so far, we are being used in many different departments in the church. But one new area has opened up for us and we have been appointed as the leaders over the English Church, Life Tabernacle! It is a new opportunity that we are eager to work in with the help of God. We ask that you keep us in your prayers as we start this new endeavor that God will use us to be able to reach the English speakers here in Madrid.

We also want to give a big thank you for all the sacrifices you make to help keep us here in Spain. We are excited to continue this journey with you and appreciate your support. Lets continue to reach Spain together!
