

Miyako Aim Report

Travis Craig

Associate Missionary
Preaching Point Miyako-Jima
Report of August 2018
travycraig@gmail.com

Greetings from Miyako,

I am pleased this month to be able to share what the Lord is doing in Miyako. August is a very tough time in Okinawa and the surrounding islands because of the season of Obon. It's a time where people are doing rituals and conjuring back their dead relatives, well that's what they think.

But during this time, we went into fasting and prayer, we expected God to show up in this time and He sure did. I am so thankful to report that we had 3 newcomers in August, and 1 of them has stayed faithful to the preaching point. The other two came to our prayer meeting only for the fact they needed prayer, but we know that seeds were planted and for that I am thankful. We ended up having a prayer meeting with 9 people in total. These numbers may be small to some but for Miyako it's a huge breakthrough.

We continue to look to Jesus for the increase and expect wonderful things to be born through the work here. Thank you all for your continued support.

God bless.

Bro. Craig
