

July/August Newsletter 2018

**Melissa Van Zandt
Okinawa Japan**

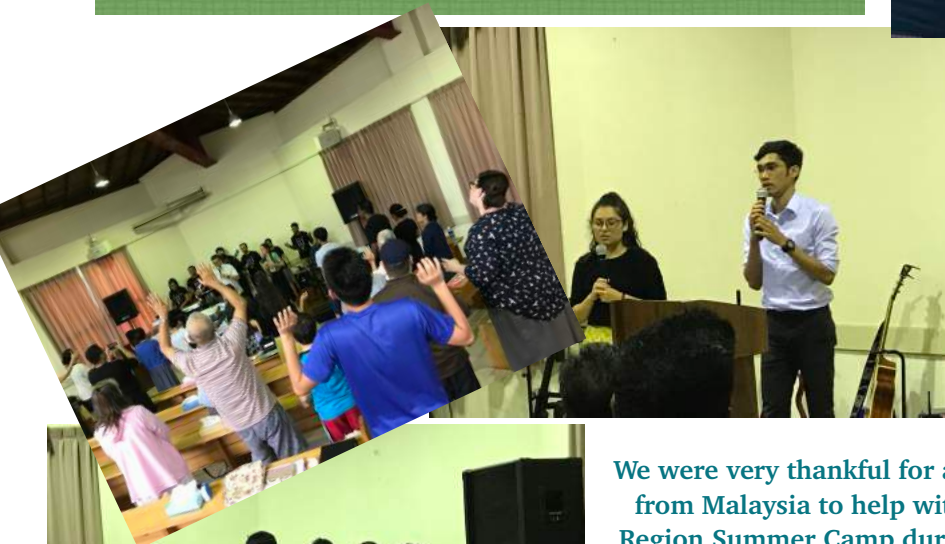

At the beginning of July we had the Southern Region Ladies Conference. It was great to have Sis. Matsui give the Word. There was a powerful move of God in both services!

We had a guest instructor class in Purpose Institute this month. It was great to have Bro. Muthu come and teach us in these classes!

One of the little girls in the church received the Holy Ghost and was baptized in Jesus name at the beginning of August!

**Come unto me all ye that are weary and heavy laden and I will give you rest.
Matthew 11:28**

We also had one of our newest members received the Holy Ghost this month.

We were very thankful for a team that came from Malaysia to help with our Southern Region Summer Camp during the month of August. There were many people who were healed during the services. One man who came who had pain in his arms and back for 12 years, but after we prayed he was completely healed of the pain!

Special guest speaker Bro. Muthu preached during our missions conference! During this conference we had a Faith Promise service, and many people made commitments to give to the cause of missions!

At the end of the month of August we had services at the church in Uruma with speaker Bro. Muthu. During these services there were about 20 people testified of receiving healings for various things such as asthma, back pain, heart problems, and thyroid issues. During the service on Sunday there were 3 who received the gift of the Holy Ghost!

We have also been having evangelism training during the last week of August! Bro. Muthu has been speaking to us about operating in the gifts of the Spirit.

The Spirit of the Lord is upon me, because He hath anointed me to preach the gospel to the poor...
Luke 4:18
