BEEBE FAMILY NEWSLETTER

Greetings from the country of Andorra!

We are excited to share with you that we have been approved as Associate Missionaries to the country of Andorra! As most of you already know we moved at the beginning of September and hit the ground running! Andorra is a small country between Spain and France with no Apostolic church. When we arrived there was one Apostolic lady in the entire country! Since then her husband has joined her and they are working with us to help establish a United Pentecostal Church in the capital city of Andorra La Vella! We have been teaching bible studies, doing prayer walks, holding weekly services in a hotel meeting room and getting involved in community activities to make connections.

The task before us is great, and we have limited resources, but we have an all powerful God that has unlimited resources! He has placed a burden in our hearts for the people of Andorra and has opened the doors for us to be here. Please help us pray for revival in this country. Help us pray that God would lead us to hungry people and that their hearts would be opened to the truth.

Thank you for your continued support that will allow us to stay on the field! It's because of your giving that the gospel is being taken into a brand new country! Many have sown in prayer over Andorra for many years and we know that there is harvest that is ready!

Our last month in Madrid

We were sad to say goodbye to our church family in Madrid where we were privileged to serve under the leadership of Missionaries Ken & Kay Burgess for over a year. We saw God do tremendous things while we were there. Hundreds were filled with the Holy Ghost and baptized in the name of Jesus! We were challenged and stretched in our faith. We believe God used this time to further equip us for what He has in store for our lives!

Some highlights from the the month of August: We started homeschooling the kids, Dawn organized a Sunday School training seminar for the English church, we baptized four from the English church, and Corey got the opportunity to preach his first message in Spanish at *Tabernaculo De Vida*!

Madrid will always have a special place in our hearts and prayers!

Andorra being a micro country falls under the leadership of Spain, and we are living in a small Spanish town on the border of Andorra due to visa reasons, so we are still very much connected to the work in Spain and are excited about what God is doing in both countries!
