Rachel Brush - September

- This month we went to the Power Conference in Riga. Over those three days we had an awesome move of God, and it was an amazing experience getting to worship with people from multiple countries in so many languages. We also had a great time in Riga seeing some of our friends that we don't get to see very often.
- This month we have gotten the opportunity to meet up with a couple of different churches in the area and even testify at a service. It has been awesome getting to know these people who really do have a love for God and as we build a friendship with them we intend to lead them into a fuller understanding of the truth
- This month Christa and Andrea arrived so I moved into an apartment with them. As with anytime moving into a new place, everything might not work as well as you want it to. Unfortunately our apartment started having electricity and plumbing problems right after we moved in, but thankfully everything is working now.
- We have been making a lot of new contacts in this city everywhere we go whether it is the weekend market, the cafes we visit often, or even people stopping us on the street because they hear we speak English. We have people that we meet with frequently and expect to start Bible studies shortly.
