Beautiful Mairinque! The Wednesday I arrived, I learned pretty quick just how steep this hill to the church really is!

Walking there is a treat though, when the view is this magnificent! I'm falling in love with the nature here. God is truly a creative creator!

São Paulo district seminar. The children were thrilled to receive a Canadian flag and pin! They waved them high in the air shouting, "CANADA!" Thank you Bro. Brent Bond for donating these!

My first weekend here, we hosted a men's conference for the state of São Paulo. Sis. Cooper took me to a sink full of dirty dishes and said "This is your station!"... and it was... for the next 8 hours! It was a joy to work with such an amazing group of people, all happy to serve! I learned a lot of the language, just from listening at the sink!

I'm happy to have the opportunity to play my ukulele at children's conference, and some of the home services they have through the week as well. The children love trying it out too. I teach them the chords, and they teach me the words to some of their favourite songs. When words are hard to come by, music is a language we all understand!
