Celebrating Christ in Cyprus

September 2018

A GOOD REPORT

We have now been in Cyprus for three weeks. THANK YOU for supporting our ministry here with your finances and prayers. Your giving enables us to be here and your prayers support as we minister to people.

We are pleased to report that the Lord has filled four people with the Holy Ghost and two people have been baptized in Jesus' name! YOU are a part of this harvest!

Thank you for continuing to believe with us for even greater revival in Cyprus.
