Celebrating Christ in Cyprus

October 2018

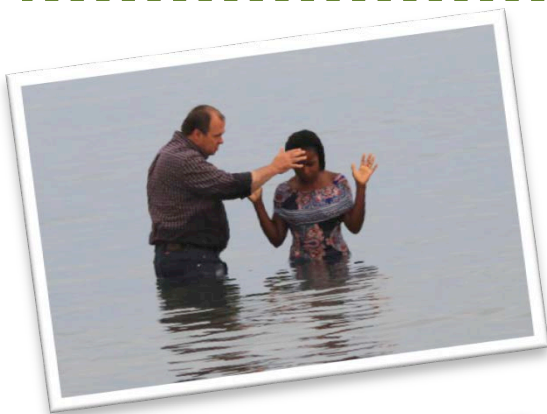

## BORN AGAIN!

Ben (above), who is from Congo, received the Holy Ghost a few weeks ago and was baptized in Jesus' name!

Brother Ferrin baptized Clement and Tamara (left) in Jesus' name in the Mediterranean Sea. Clement also received the Holy Ghost earlier this month. They are a wonderful couple, a blessing to the church, and have four precious children.

We are blessed to work with Stephan and Debra Summers (below). They helped make our transition easier by familiarizing us with the area, offering driving tips while learning to drive on the left side of the road, and sharing their knowledge of Cypriot culture. We appreciate their love for the people of Cyprus.

THANK YOU  
FOR YOUR PRAYERS  
AND SUPPORT!
