Upon arrival, Crossroads had their back to school rally. **Sunday, September 9th,** each child was given a prayer cloth and the congregation prayed over them.

Saturday, September 15th, Crossroads Kids Children's Ministry was launched. This ministry not only benefits the children that attend but also gives the parents freedom to focus on their alone time with God and teachings in the sanctuary. It is also training youth to be future leaders of Crossroads Kids.

Sunday September 16th, Bishop Sim Strickland preached "Where is your garment? How white is your robe?"

Sunday, Sept. 30th, Crossroads held their African Thanksgiving service. It was awesome to worship to their native songs. The church is made up of people from many nations and today we celebrated Africa.

Friday, Sept. 21st, The Morenos and I traveled to Meteora for a ministers' retreat where I met and reunited with EME pastors, ministers and Bishop Sim and Judy Strickland.
