

MADE FOR A MISSION

Welcome to the Philippines!

Hello Partners!

Let me share some of the many amazing things that I have experienced since I walked off the plane!

- ~GATS training (Global Association of Teachers & Schools) .
- ~2018 AIM Bible School academic year commenced.
- ~Pursuing Presence - early morning prayer with the Missionary staff.
- ~Several evangelistic trips across the island of Mindanao.
- ~ Spiritual Emphasis week @ AIM.
- ~Creating & setting up the AIM Research lab.
- ~Teaching an elective course on basic Bookkeeping.

As I work around the Bible School, daily interacting with the students, it is so incredible to watch the Lord touching & calling these young people for His service.

THANK YOU for being part of my journey with your prayers & financial support.
