### HIGHLIGHTS

▶ This month we are praising God for 21 in attendance in one of our services! We had a group of 7 join us that have been meeting together in their home for weekly bible studies. The leader's wife was renewed in the Holy Ghost in our service. Please pray that we can continue to build a relationship with this group and share the full truth with them.

▶ We are excited to be back in language classes! The free community classes started mid Sept right after we arrived here. However there was already a waiting list. We began to pray that space would open up. We got a call 3 weeks into the class that 2 spots had come open. We thank God for answering this prayer!

▶ We were able to travel to Barcelona this month to celebrate with our supervising missionary Nathan Harrod and *Los Pentecostales de Barcelona* on their 18th church anniversary. The house was packed and there was a beautiful display of the many daughter works that have been started out of that church. Honor was given to missionaries Howard and Vonda Smith for founding the church and for their many years of service. We are thrilled about what God is doing in the region of Catalonia, Spain!

**Oct/Nov 2018**

Pictured (right) is a young lady who we met at the beginning of November. As we were having a bible study she began to weep as the presence of God swept in. She said she had never felt anything like it before! She is so excited about what God is doing in her life, and she is already going out to the streets to pass out church invitations! Please pray that God will continue to work in her life and the many others we have met. Pray for an outpouring of the Spirit and revelation of baptism in the name of Jesus!

Pictured (left) is Corey talking to a man from Senegal at the Andorra fair. There were many booths representing the different nationalities living in Andorra. Andorran nationals only make up 33% of the population. Even though it is a small country there is potential to reach many parts of the world from here!

Pictured (right) are Natalie & Logan helping with outreach. We delivered snack baskets and invite cards to the University of Andorra and several language schools in the capital city of Andorra la Vella.

*Thank you for your love, support and prayers for our family and the work in Andorra!*
