This month has been a very busy but exciting month. New Life Church put on a Super Sunday for the children on the theme of "Marching on in the Lord's Army." I was able to participate in this event by teaching the kids a few songs. I also taught the song Break Every Chain in sign language for the children to present for the Super Sunday program. It was such a blessing to be a part of this wonderful event.

Homeless Outreach is a program I am heavily involved in that goes on once a month. A group of us go into Glasgow's City Centre and we hand out food and drinks to the homeless. It is a privilege to be able to take part in this every month.

This month we also had a Post-Graduate Seminar on the subject "Church Management: Event Planning, Maintaining Ministries, Departmental Administration." Bro. MacDonald did an awesome job teaching the seminar.

Every other year an event called Autumn Harvest Convention takes place. I was able to attend this year and I learned several things each service. Also, I had the privilege of leading worship during one of the services. Bro. Brian Kinsey from Pensacola, Florida ministered to us during the convention. Many lives were greatly impacted during AHC.

This month in Harvest Bible College, I continued my piano and voice lessons with the students. Also, I was able to teach a few Music Major classes on Music in the Bible and Music History. I enjoy every moment I am able to spend teaching music.

In New Life Church, I have continued to lead worship on Sundays, teach youth lessons and help with any events taking place.

It has been a great month and I am looking forward to seeing what God will do in November!
