

# September Highlights

## New School Year

The 2018-2019 has started with a fantastic group of students! We have 9 students in our Year 1 program and four students in our Year 2 program. We are very excited, as this is our first year to have a student working outside of Glasgow for the Year 2 program. Sis. Melina is completing the program at her home church in London as she develops a Spanish extension work, teaches Bible studies, and leads home groups.

## GAIN

HBC students enjoyed traveling to Birmingham to attend GAIN, the national youth congress for Great Britain and Ireland. Many alumni were involved in speaking, leading worship, and various parts of the event. The Lord greatly ministered as we heard from our guest speaker and general superintendent.

## **Practical Ministry**

Practical Ministry has already begun for students. They are fitting right in as the preach, lead worship, and convene services. Pray for them as the grow and develop in their ministries.
