TALLINN

Can God use you to change a nation? Yes, He can! You can be the next world changer like Paul, Peter, the apostles who turned the world upside down.

This month three people received the Holy Ghost. A Chinese student, **Pengyiqing**, at Tallinn Technical University canteen after Bible study, **Ivi** at London Hotel during a service in Tartu, and **Helmi** during a Sunday School at Lindakivi Cultural Center in Tallinn.

I love how multicultural the Tallinn church is. There are people from Estonia, Mexico, Indonesia, Norway, USA, Argentina, Pakistan, and Bangladesh. For God so loved the WORLD,...Jesus loves people, doesn't matter what ethnicity or color. He wants all to be saved.

In October, this "crazy" idea came into my mind: to teach 100 Bible studies to 100 different people. Jesus is always in the soul-winning business. I was listening to Bro. Mark Brown on IBC podcast—about our calling; something that he said stood out to me—"it is our vocation to teach Bible studies." If doctors are experts in what they do, I have to be excellent in what I do. That is my God-given calling. The motive is to win souls for the glory of God, not for self-aggrandizement, fame, or

promotion. I opened my laptop and made a chart with 100 boxes—representing 100 souls—and began asking people if they would be willing to participate in my 100 Bible study project.

At the end of the month, Bible study was taught to 26 individuals, and they were from different countries—China, USA, Estonia, Japan, Belarus, and Pakistan. During the process, I learned this: the more you teach Bible studies, the more equipped you will feel and the less the intimidation. And God continued to open doors after each Bible study, one after another—at homes, at university café, at an office, at the mall, etc. If you are scared of doing something, why not give it a try? David faced the giant. God will help you. I heard Bro. Wayne Huntley say one time, the Word of God is anointed, it's not like other story books! Brother Billy Cole's message titled "How to Help People Receive the Holy Ghost" still helps me. The greatest victory was when Pengyiqing, a Chinese student at Tallinn Technical University received the Holy Ghost at the cafeteria. We simply prayed for the Holy Ghost after the Bible study and she received it. And at the end of the Bible study came another student, Avo, and asked us, "Are you Christians?" This was another God connection.

English Conversation Hour

We continued our Monday class. I also got to connect with three people from English Conversation outside of class and teach Bible studies. I visited Maarja, a working mother of three, at her office in Port of Tallinn on a Friday afternoon. We had Bible study and she began to cry when I told her that Jesus loved her so much that he died for her. We prayed for the Holy Ghost at that moment. She didn't receive it then, but I encouraged her to keep praying at home and that she could receive the Holy Ghost anywhere. Please pray that God fills her with the Holy Ghost.

Home Visits

I met Yanyan, a Chinese woman, by Tallinn Technical University back in September in front of a kebab shop. She works in Tallinn, while her husband from the US is a student at Tallinn Technical University. Alyssa Mullis, another AIMer, and I went to their dormitory for dinner, and we had Bible study right in their living room. We stayed there until 11pm. Yanyan was so hungry for God, she asked for a Bible. Of course, we got her one! 😊 A group of us—missionary couple from Mexico and Alyssa and I—also went to Viimsi for fellowship, prayer, and worship with an Estonian family.

Street Evangelism

Sunandan, Novi, Astrid, and Karina helped with ministering to the elderly and homeless in Tallinn. We delivered care packages and ministered to people in the streets. Astrid and Karina helped translate into Russian language.
