The month of September. What a busy and bittersweet month during my time in Finland. This month brought new insights, new works, new ideas, and new experiences. This month brought lots of travel. We traveled to Turku for service with Pastor Jun and his family. It was wonderful to be in service with them again!

Candace, Johannes, Kenneth, and I baked for the Ronald McDonald house here in Finland. There were 18 families there which meant they were at full capacity at that time.

I went with the Alphin's on a 3 day prayer trip. We went to places that none of us had been before and prayed for God's light and love to fill these cities in any and every way possible. I learned again the level of importance prayer should take in the Kingdom of God.

My last Sunday in Finland, I was privileged to have the opportunity to be the main speaker. I am humbled that God saw fit for me to be a mere vessel in order to get his burden across to the people I spoke to.

With the end of the month came my departure. I will be forever grateful for the growth I saw not only in myself, but in others while I was in Finland. I leave with even more of an understanding of how powerful my God is and even more in love with Him.

I will forever be grateful for the leadership of both the Alphin's and the Lindholm's. They pour everything they have into the kingdom, and I have learned countless things while being near them!
