### Vision Ventspils

- Mark Shutes came to Ventspils and had meetings with all of us. He talked to us about our futures, encouraged and ministered to us.
- We had services once a week as a team.

- We discovered the city market and found it to be a great place to meet new people.
- I began the process to get residency in the country of Latvia.
- We celebrated the 4th of July together and made American food and played games.
- We had another celebration service in Riga.
- During July we focused on learning to work with God as we go out into the streets. We continued prayer walks, Evangelism and fasting for our city.

- I taught the team RBD course 1B throughout the month.
- There were several festivals in the city throughout the month. We learned a lot more about the people and the culture here in Latvia.
- We all began working on learning the language.

- We started having game nights as a method of evangelism and it was very successful. We met many young people in the city and had a lot of fun.
