4TH QUARTER 2018
ACC # 707 & 5110

We were so privileged to have Sis Becky Buckland (Pacific Regional Director's wife) as our guest speaker for the National Ladies Conference. The theme was "Fulfilling Your Purpose", Ecc 3:17. Sis Buckland ministered to us all, what a blessing it was to the Ladies of PNG. The messages on "Choices of the Heart" and "God of the Wait" were so relevant and heart changing. We were thrilled to see 33 filled with the Holy Spirit and 18 Baptised in Jesus Name.

NATIONAL LADIES CONFERENCE 2018

We were also thrilled to have minister to us the previous Missionary to PNG, Sis Robyn Gration, who now resides in Vanuatu along with her husband, Rev. Peter Gration. Sis Gration's message blessed us tremendously, and it was great to see her again in PNG.

It was an awesome sight to see all different Provinces represented during the Conference. There are 22 Provinces (Districts) in PNG. The Ladies on the right are from Kerema, a newly established work. They freely worshiped and there was a beautiful presence of the Lord throughout the Conference. Many lives were changed forever!!

(Below) We were also privileged to have prisoners from the Bomana Maximum Security Prison in Port Moresby. They testified to the crowd of the life-changing effect the Gospel has had on their lives, and ministered in song. The Prison Commander also attended with them, and encouraged the Ladies to treat ex-prisoners like sons to help bring them back into normal life after prison. Some of these prisoners have it in their heart to attend Bible School, and then go back to their villages to preach the Gospel!
