

# November Highlights

## European Youth Convention

We are blessed each year with the opportunity to travel to the European Youth Convention in Melun, France with the students. It is great time of fellowship with alumni that are now across Europe and other young people. This year we were blessed with the

preaching of Bro. Josh Carson. We had a very successful trip and are thankful we were able to attend.

## Edinburgh

Students are growing in their ministries as they continue to help with services in Edinburgh through music and preaching. They are a great blessing wherever they go!

## Guy Fawkes Day

For our student social in November we celebrated Guy Fawkes Day. It is a holiday in the UK with some interesting history and unique ways of celebrating. To celebrate we had a bonfire, shot fireworks, and had s'mores. It is a great experience, especially for students from outside the UK! I've included a link with a little of the history behind it below:

## Thanksgiving

Thanksgiving isn't a holiday in the UK, but we take time to celebrate at the college with students from many cultures. This year I'm thankful for the opportunity that I have to minister here and the ability I have to stay connected to my family. For many years our missionaries sacrificed having contact with family. I'm blessed with the ability to FaceTime my family during Thanksgiving and talk with them regularly. I'm thankful for those who sacrificed when it wasn't as convenient and prepared the way for me to be able to minister today.

## Glasgow

I am given various opportunities to minister in the church in Glasgow through preaching and teaching. We continue to see God do great things in this city! I am currently in a Bible study with a family of six. Would you help me pray for this family and more Bible studies in the future!
