

## November news letter

### AIM for Italy

Greetings in the wonderful name of Jesus! To all our Global Missions family. We have arrived in our mission field believing in great things to happen!!

Group of friends that we've made good contact with and sharing Jesus with them! Keep us, our family and our town, region and nation in your prayers! Thank you in advance for your prayers and support.

Greetings from Italy in the wonderful name of Jesus Christ our Lord and Savior! We are moved into our apartment and our container with all materials was delivered on Friday November 30th! Wow what a sight to see in our small town of Baselize! A 20 foot container is not common here unlike the States and what a time we had getting the truck in and out of our town, the roads are much smaller here also! Our WiFi, internet and cell phone services have all been set up and we are getting all of our belongings put into place. God has been so good to us and has given us favor with so many people!

Our children are adjusting, Cristiano is in his Junior year of High School, he is doing Abeka homeschooling and is doing well. Angelica is in her 1st year of public High School (here they have 5 years of high school) she is making many friends and is doing very well. Both of our children are thrilled to have their musical instruments now, they arrived in the container. Let the practicing commence, we're very excited to be able to practice music! Day by day God has shown himself in everyone around us and we are setting up our materials to start bible studies. We had a few bumps in the road but God gave us favor and supplied our needs, thank God everything arrived safely!

Yours in His Service,
