

## Greetings Friends and Family!

We are officially one month into the work here in Tallinn, Estonia and it has been nothing short of eventful! We began our month in Paris, France for the annual European Youth

Convention. We enjoyed powerful services as well as fellowship with like-minded believers from all over Europe!

By the end of the weekend, new friends were made and moments were shared that we would carry with us back to Estonia!

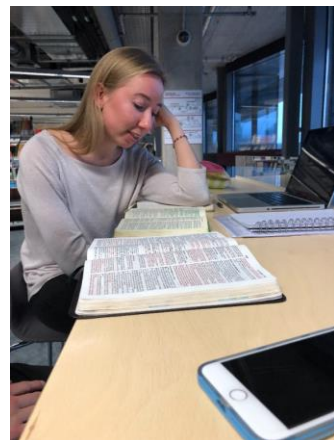

## Campus Ministry

We have begun our Campus Outreach efforts here at Tallinn University and the surrounding community. Through prayer and fasting we have seen God open doors to reach hungry students and begin teaching Bible Studies even in the few short weeks here. Please help us pray for the students of Tallinn University and the Campus Ministry. We believe God has a great plan for this Campus and our desire is to see His Will accomplished!

## English Conversation Class

We were blessed with the opportunity to take over and grow an already formed English class from former AIMer Kyuwon Kim. Every Monday night we welcome contacts into our home to practice their English and be instructed by native speakers. In just the past few weeks we have welcomed new members from South America and Estonia speaking Russian, Estonian and Spanish.

## Tallinna Elujõe Kogudus

This month we have begun plugging into the various ministries of the church here in Tallinn, Estonia. Under the direction of Missionaries Bro. & Sis. Turner, we have been given the opportunity to join the musician team as well as media team. This month we will officially take over the Sunday School department, freeing the current teachers to be used in the main services. I am excited to be apart of this wonderful church and see God's Spirit do a work in the lives of the people here!

***If you are willing, please join us in prayer for the following:***

- Pray for Revival in the Living Waters Church here in City Centre
- Pray for Direction as we look to purchase a new building to meet in weekly and use for Bible Studies
- Pray that God would send those who are hungry to our ministers on the Tallinn University campus
- Pray for new souls to be born again in the city of Tallinn

## **THANK YOU!**

Thank you for your continued prayers and support throughout this journey!  
We could not reach into Estonia without YOU!
